MEMORANDUM

MARCH 21, 1985

Vote

TO: BOSTON REDEVELOPMENT AUTHORITY AND
STEPHEN COYLE, DIRECTOR

FROM: JAMES ENGLISH, PROJECT COORDINATOR

SUBJECT: CHARLESTOWN NAVY YARD, AUTHORIZATION TO EXECUTE
A REVISED LICENSE AGREEMENT FOR EARLY ENTRY
TO PROVIDE FOR COMMENCEMENT OF DEMOLITION WORK
WITHIN BUILDINGS 149 AND 199

The Authority has received a request from Constitution Office Park Associates Limited Partnership and Navy Yard Associates Limited Partnership, tentative redeveloper of Buildings 149 and 199 in the Charlestown Navy Yard, (both referred to hereinafter as "Developer(s)") to commence certain demolition with respect to Buildings 149 and 199 in the Charlestown Navy Yard pursuant to a License with the Authority.

On December 28, 1983 the tentative designation was approved and on July 12, 1984, the Authority approved and entered into a Lease Commencement Agreement ("LCA") for Buildings 149 and 199. The LCA contained as an exhibit thereto a license from the Authority to the Developer allowing for the inspection and testing by the Developer and its agents of Buildings 149 and 199. The Developer observed all of the terms and conditions of the license in conducting its inspections and tests.

In order to advance the development of the improvements, as defined in the LCA for Buildings 149 and 199, the Developers have requested that they be allowed to commence certain demolition work prior to the execution of the Leases to be entered into with the Authority. Section 8 of the LCA contemplates that demolition work may begin prior to the approval of the contract documents, but that such work shall be at the sole risk and cost of the Developer. Furthermore, Section 12 of the LCA provides that before beginning any demolition on the site the Developers submit to the Authority a copy of the contracts between the Developers and the general contractors engaged in the work to be performed, a copy of the building permits issued by the Inspectional Services Department for the work to be performed, a copy of the payment and performance bonds and insurance certificates as required by the contract documents.

Furthermore, the plans for the demolition have been reviewed by the Authority's staff and the schedule for demolition is in accordance with the schedule for the construction of the improvements.

It is, therefore, recommended that the Authority approve and authorize the execution of the License Agreements by and between the Authority and the Developers of certain demolition work in Buildings 149 and 199.

VOTED: That the Director be, and hereby is, authorized to execute and deliver on behalf of the Authority License Agreements by and between the Authority and the Developers for certain demolition work in Buildings 149 and 199, in substantially the form attached hereto, including the requirement that the Developer commences paying the 50% rental of \$20,800 per month as provided in the Lease Commencement Agreement, upon execution of said revised license agreement.
